Direct Deposit via an Internet banking facility allows the school to pay creditors or local school payroll employees by their BSB and account number. When using this facility Red Cliffs Secondary College will ensure:

- Proper segregation of duties will be maintained so that no one person has complete responsibility for the entire transaction, providing some separation between key activities. Creditor details are kept up to date and ad hoc checks banking details are performed regularly.
- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers, the Principal and School Council Nominee. The Business Manager will not hold authorisation responsibilities.

BPay

BPAY is an alternative to paying by direct deposit. It is a secure electronic banking product identified on a supplier/creditor account with a unique biller code. All of the controls stated above in directed deposit apply.

Electronic Receipts

Red Cliffs Secondary College is to accept electronic receipts into the official account via the following methods:

- EFTPOS
- BPAY
- Third party internet revenue collection

EFTPOS provides the school with the ability to accept noncash payments by way of credit and debit card. The school will ensure:

- All staff operating the merchant facility are appropriately trained
- No "Cash Out" will be permitted on any school EFTPOS facility.
- Only Main Reception staff are to take EFTPOS receipts via telephone.
- Refunds may be processed through EFTPOS providing the original merchant receipt is obtained to ensure refund is to the correct card and the amount does not exceed the receipt.
